

## GJFL COACHING DEMONSTRATION No 4

### LES HOWIE, FA NATIONAL CLUB DEVELOPMENT MANAGER

Many thanks to Peter Sturgess for a brilliant session delivered back in May. Peter is recognised as one of the Countries leading coaches of younger soccer players and we look forward to welcoming him back to the GJFL later this season.

Next up, the GJFL is privileged to welcome Les Howie, FA National Club Development Manager, 'A' license coach and creator of the Level 1 coaching course which has become the most successful coaching course in UK sports coaching history.

He has written two of the six FA Learning books which were launched last year, devised the FA's Charter Standard Programme and is considered as one of the FA's most experienced grassroots coaches. His remit covers over 40,000 clubs and his core roles and responsibilities are designing programmes and development strategies to raise the standards for all clubs below the Football League.

Les will discuss Long term player development, and what it means to the grassroots coach. The practical session will then focus on 3 level 1 activities which will be progressed into level 2 and level 3 (EUFA B) activities.

This workshop is been delivered in partnership with the WRCFA & FA specifically for GJFL members and is **free of charge**, so please support the event and make it a success.
